Piper: Most	(2) A422 or (2) A421	6,000 lbs 6,000 lbs				(1) ATS (1) ATS
Piper: Cheyenne II	(2) A334B	16,000 lbs	(1) ATS-AA72			(1) ATS
Piper: Cheyenne III	(3) A334B	16,000 lbs	(1) ATS-AA72			(1) ATS
Piper: Navajo & Aerostar	(2) A434	6,000 lbs				(1) ATS
Turbo Commander	(2) A360A	10,000 lbs				

Application Chart Limitations

This chart was developed over the years to assist the buyer in the selection of any equipment that may be needed for lifting certain aircraft. While we've tried to be as accurate as possible, it's ultimately the buyer's responsibility to make sure the suggested selection of lifting equipment matches the actual requirements. Meyer Hydraulics does not warrant the accuracy of the information found in this Application Chart.

Please contact Meyer Hydraulics if your aircraft weighing under 32,000 lbs. isn't listed in the above chart. Someone in Customer Support will work with you to see if we can take care of your needs.

Meyer Hydraulics Corporation

512-22 W. Burr Oak Street ▪ Centreville, MI 49032 U.S.A.
